CD NO.

DATE DISTR. 6 February 1953

NO. OF PAGES 1

25X1

NO. OF ENCLS.  
(LISTED BELOW)

25X1

SUPPLEMENT TO  
REPORT NO.

THIS DOCUMENT CONTAINS INFORMATION AFFECTING THE NATIONAL DEFENSE OF THE UNITED STATES WITHIN THE MEANING OF THE ESPIONAGE ACT OF U.S.C. 81 AND 82, AS AMENDED. ITS TRANSMISSION OR THE REVELATION OF ITS CONTENTS IN ANY MANNER TO AN UNAUTHORIZED PERSON IS PROHIBITED BY LAW. REPRODUCTION OF THIS FORM IS PROHIBITED.

THIS IS UNEVALUATED INFORMATION

1. A dry dock is under construction on the east side of Warnemuende harbor.
  2. A Russian sea-going tug was seen on 19 November off the entrance to Wustrow. It was headed in an easterly course with a dredge in tow. The dredge, lacking identification, was rather large, apparently a suction dredge of the type which normally runs on its own power.\*
  3. The Vulkan-Werft in Stettin: It is said to complete one modern submarine per week with a staff of 10,000 workers.
  4. A large group of S-boats or R-boats were seen on 11 November leaving the port of Rostock-Warnemuende. They were manned by Sea Police. The crews were astonishingly large, and an extraordinary number of gold striped officers and non-commissioned officers were on board.\*\*
- Comment: Presumably being transferred to another harbor.
- Comment: Apparently this was a training group.
